

Registered Nurse (contractual and part-time)

SHORE UP! is seeking a contractual Registered Nurse (RN) to provide skilled nursing care for Adult Day Services and Residential Services. This RN will:

- Provide skilled nursing care for participants based on home visits, assessments and problems identification. This includes consultant, emergency services and documentation within clinical records.
- Develop a written plan of care for each participant in consultation with their physician.
- Provide implementation, evaluations and updates in accordance to current regulations.
- Lead, evaluate, guide, inform, and supervise assigned staff in collaboration with the center director.
- Coordinate with necessary agencies and/or physicians to certify participants through the Professional Service Review Organization, Adult Evaluation and Review Services and Veterans Administration.
- Review Activity Program and calendar accordingly.
- Involve and educate staff in care planning implementation and ongoing participant review and progress.
- Administer medication and treatment during center operation hours, as ordered by the participant physicians.
- Develop and maintain cooperative relationships with community agencies and organizations.
- Educate community agencies and groups regarding the SHORE UP! Adult Day Services program and goals.

Must have a Bachelor's Degree in Nursing and be a Licensed Registered Nurse in the State of Maryland, with a minimum of 3 years of related experience.
