A MESSAGE TO OUR STAFF:

Dear SHORE UP! Employee,

We know how much work goes into making our company a success, so we ensure that our employees are provided with exceptional benefits including medical, dental, vision, life and disability insurance.

Employees can also benefit from included options such as a Health Savings Account (HSA) and CareFirst CloseKnit.

We make it a priority to keep you and your loved ones covered in the event of unforeseeable circumstances so you can focus on fulfilling your career potential and leading a healthy, well rounded life.

QUESTIONS?

MEET YOUR HEALTH PRO TEAM!

Our goal is to make sure that you receive the right coverage information regarding your benefit plans. Because the world of healthcare and insurance can be confusing and hard to navigate, we are pleased to introduce your Health Pro team who will be able to assist you with all things related to your benefits. We also know that sometimes you have to deal with healthcare issues for your family. Your Health Pro can assist your entire household. This includes spouses, domestic partners, dependents, and parents!

Whenever you need help navigating healthcare, your Health Pro[®] is there for you – at no additional cost to you and your family.

AT A GLANCE

HOW YOUR HEALTH PRO CAN HELP YOU

- Resolve claims and billing issues/errors
- Answer benefit questions pertaining to your plans
- Locate in-network facilities, dentists & other healthcare providers near you
- Schedule your appointments
- Research cost and value comparisons for medical services and prescriptions
- Transfer medical records

YOUR HEALTH PRO CONTINUED

TRUSTED GUIDANCE

For comprehensive healthcare navigation, your Health Pro eliminates the healthcare hassle and optimizes the health plan network with high quality, cost-effective care. This high tech, high touch support meets you and your dependents at the right time, wherever you are in your healthcare journey.

Healthcare is complex, and people need help. Here's how your Health Pro simplifies healthcare navigation and lowers healthcare costs for you and your family:

Understand Health Benefits

Explain your benefits plans with unbiased guidance for medical, dental, vision and other health-related benefits.

Highly Rated, Cost-effective Care

Recommend in-network medical, dental, and vision providers are recommended based on cost, quality, and personal preferences.

Get Help with Medical Bills

Provide you an expert to fix problem medical bills. We track down and fix problem bills from any source, so you are not overcharged.

Compare Costs for Care

Get price comparisons before receiving procedures and care. Costs can vary by hundreds or thousands of dollars—even in-network.

Coordinate Care

Help you verify care coverage, schedule appointments, transfer medical records and coordinate care. Let us give you back all the time you've spent on hold only to not get what you needed.

Right Programs at the Right Time

Help you understand and use your health benefits like telemedicine, disease management and EAP—in the moment when you need them.

Drive Lower Cost Rx Options

Compare medication prices and help lower the cost of prescriptions to drive better medication adherence.

Nurse Navigation

Can connect you to a nurse to better understand a new diagnosis or care path.

ELIGIBILITY AND ENROLLMENT

WHO IS ELIGIBLE

Employees | Full-time employees who work at least 30 hours per week are eligible for benefits on the first of the month following 60 days from the date of hire.

Dependents | Employees may enroll legal spouses and dependent children up to age 26, regardless of student or marital status.

Domestic Partners | A domestic partner is defined as a person who cohabitates or resides with the employee in a domestic partnership, same sex or otherwise, and can document evidence of financial interdependence existing for at least six consecutive months prior to application.

Domestic Partners Benefits | *Employees who wish to apply for domestic partner benefits must complete a statement of domestic partnership.* Please reach out to HR to learn more about our company's domestic partner policy, eligibility/benefit criteria, and documentation requirements.

Domestic Partners Tax Implications | Per IRS regulations, the fair market value of benefits for domestic partners (including coverage for a domestic partner's legal dependent(s)) must be reported as taxable income to the employee. Furthermore, a domestic partner's share of premium is not eligible for pre-taxation. Therefore, employee contribution towards the cost of adding a domestic partner will be deducted on an after-tax basis. We recommend consulting with a tax advisor to better understand the tax implications of your domestic partner benefit election.

WHEN TO ENROLL

First Eligibility | If you are a new hire or newly eligible for benefits, you must enroll in your benefit plans within 30 days of your eligibility date. If you waive coverage upon first eligibility, you will be required to wait until the next open enrollment or when you experience a qualifying event.

Open Enrollment | Employees may make benefit changes during open enrollment, which is in May for a July 1 effective date. Your coverage will be in place until the next open enrollment.

Qualifying Event (QE) | A qualifying event is a documented, life status change. If you experience one of these events during the course of your benefit plan year, you may be able to make changes to your plans and coverage.

HOW TO ENROLL THROUGH EMPLOYEE NAVIGATOR

Online Enrollment | Enrolling in your benefits is quick and easy using the benefits portal through Employee Navigator—available 24/7 during your Open Enrollment or New Hire Enrollment.

Log onto: employeenavigator.com/benefits/Account/login

Returning users may reset their username and password by clicking the "Reset a forgotten password" link.

New users will receive a confirmation email from Employee Navigator prompting them to confirm their information as well as provide a company identifier which will be provided in the initial email sent out.

QUALIFYING EVENTS

Here is a list of approved qualifying events in accordance with IRS code Section 125:

- Marriage or divorce
- Birth or adoption of a child
- Death of a spouse or a child
- Change in residence or work location that affects benefits eligibility for you or your covered dependents
- You or one of your covered dependents gain or lose coverage due to a change in employment status i.e. employment termination or reduction of hours
- Gain or loss of qualified coverage

While this list contains the most relevant qualifying events, check with your Human Resources Department or your Health Pros to see if you may qualify for other enrollment periods. Depending on the type of change, you may need to provide proof of the qualifying event (for example, a marriage license or birth certificate).

If you do not notify Human Resources within 30 days of your QE, you will have to wait until the next annual open enrollment period to make benefit changes.

EMPLOYEE CONTRIBUTIONS

One of the major benefits of employer sponsored coverage is the ability to pay for your employee contributions through payroll deductions. Depending on the product, your deduction could be pre-tax or post-tax (noted below). If you choose to enroll, below are the amounts that will be payroll deducted for the coverages you select. Once you enroll in a pre-tax benefit, you'll need to wait until open enrollment or experience a qualifying event to change your selection. If you have additional questions concerning tax implications, please consult with Human Resources or a tax professional.

The amounts are listed on a bi-weekly basis with 26 pay periods per year.

MAKING INITIAL BENEFIT SELECTIONS

1. Update and confirm your personal information as well as your dependent information (if applicable).
2. Use the progress bar on the right hand side of the page to track your progress. Expand to see specifically what is still required to complete. Green indicates a section is complete. Orange indicates an incomplete section.
3. Be sure to specify who you would like to enroll in EACH specific benefit plan. Dependents enrolled in one benefit plan will not automatically be enrolled in another.
4. A brief summary of cost and enrollees will be shown for each benefit.
5. Once a place section has been made, click "Save & Continue" to elect or click "Don't want this benefit" to waive coverage.

FINALIZING YOUR BENEFITS

Review your enrollments after selections have been made. The Enrollment Summary report breaks down cost per pay period, the effective date and coverage level is broken down per plan (Employee vs. Employee + Spouse).

We recommend printing or saving your election report for your personal records.

Enrollment is not complete until you have signed off at the bottom of the page. Your benefits WILL NOT be submitted to the carriers until you have signed off and approved these benefits.

GENERAL PORTAL KNOWLEDGE

- Any outstanding items will be available using the "Required Tasks" link from your home page.
- Update your password or username at any time by clicking the dropdown menu from your name at the top right from your home page.
- View your benefits at any time by selecting the "Enrollment Summary" shortcut from your home screen.
- Once your enrollment window is over you will be able to request updates to your benefits at any point during the policy year by selecting the "Life Events" shortcut. These requests will be sent for HR review.

HEALTH SAVINGS ACCOUNT (HSA)

HSA DETAILS

All eligible employees who participate in the CareFirst BlueChoice Advantage HSA 1650 plan have the option to enroll in a Health Savings Account (HSA) through Further. A HSA is an account that you can put money into and save for future medical expenses. There are certain advantages to putting money into these accounts, including favorable tax treatment.

CONTRIBUTING TO YOUR HSA

Contributions to your HSA can be made by you, your employer, or both. However, the total contributions are limited annually. Contributions may be made through a pre-tax salary reduction or, if made after-tax, you can deduct the contributions when completing your federal income tax return.

The contribution limits for the year 2025:

Employee Coverage \$4,300

Family Coverage \$8,550

Individuals age 55 and older can also make additional "catch-up" contributions. The maximum annual catch-up contribution is \$1,000.

Unlike Flexible Spending Accounts, HSAs can roll over any unused funds year after year. There is no "use it or lose it" rule or lifetime maximum. The only stipulation is that you may not contribute more than the set IRS Contribution amount for that tax year.

USING YOUR HSA

You can use the money in your HSA account to pay for any "qualified medical expense" permitted under federal law.

Examples of eligible HSA expenses are:

- Medical deductibles
- Copays or coinsurance
- Dental
- Vision
- Prescription drugs
- Orthodontic
- Limited over-the-counter items

Other uses include COBRA or State Continuation premiums, qualified long-term care insurance, Medicare premiums and related expenses.

You can use the money in your account to pay for medical expenses for yourself, your spouse and your dependent children. You may use HSA funds for your dependents' expenses even if they are not enrolled in a Qualified High Deductible Health Plan (QHDHP).

ADVANTAGES OF HSA

Health Savings Accounts provide triple tax savings:

- (1) tax deductions when you contribute to your account
- (2) tax-free earnings through investment
- (3) tax-free withdrawals for qualified medical expenses

Accounts are employee-owned and completely portable regardless of whether you change jobs, change medical coverage or move to another state.

MUTUAL OF OMAHA'S DENTAL MAXIMUM ROLLOVER

The Rollover Benefit provision allows you and your dependents to save your dental benefit dollars for when you need them most. With this provision, Mutual of Omaha will roll over a percentage of the Policy Year Maximum Benefit for each insured person in a given calendar year, increasing the following Policy Year maximum for that insured person (subject to certain conditions). Rollover calculations are determined based on In-Network provisions.

PLAN ANNUAL MAXIMUM	THRESHOLD	MAXIMUM ROLLOVER AMOUNT	MAXIMUM ROLLOVER ACCOUNT LIMIT
\$1,000	\$500	\$250	\$1,000
Maximum claims reimbursement	Claims amount that determines rollover eligibility	Additional dollars added to Plan Annual Maximum for future years	Plan Annual Maximum plus Maximum Rollover cannot exceed \$2,000 for the Plan

- Employees who have at least one cleaning and exam in a policy year but spend less than 50% of the policy year maximum benefit, can enjoy a higher max benefit amount in future years
- Employees can roll over 25% of the policy year maximum benefit dollars to the next year
- A higher max in future years makes the plan more valuable to keep in place
- Adjusted annual maximum can grow up to 2x the policy year maximum benefit
- Employees can track available max dollars through mutualofomaha.com/dental

Rollover benefit is administered automatically for all enrolled members.

LIFE AND AD&D INSURANCE

SHORE UP! recognizes the importance of planning for the unexpected. Life insurance helps protect your family from financial risk and sudden loss of income in the event of your death. Accidental Death & Dismemberment (AD&D) insurance provides an additional benefit if you lose your life, sight, hearing, speech or use of your limbs due to an accident.

EMPLOYEE BASIC LIFE AND AD&D

SHORE UP! provides you with Basic Term Life and AD&D insurance at a flat \$50,000 through Mutual of Omaha at no cost to you.

Employee benefits are reduced to 50% at age 75. Benefits terminate upon your retirement or when your employment ends.

You have one option for continuing your life coverage if you leave the company:

- Conversion allows you to convert the coverage to an individual policy if any or all of your life insurance ends while you are insured under the group plan.

VOLUNTARY LIFE INSURANCE

Voluntary Life Insurance provides employees with a way to purchase additional life insurance outside of what SHORE UP! provides already to you by way of Basic Life. You may purchase additional life insurance amounts through a convenient payroll deduction. Coverage is provided by Mutual of Omaha.

Employee Coverage | You may elect up to 5x your annual salary, up to \$500,000. Medical underwriting is required for an election above \$100,000 at your first eligibility and for any amount afterwards should you waive at your first eligibility.

Spouse Coverage | You may elect 100% of your employee amount, up to \$250,000 for your spouse. Medical underwriting is required for an election above \$20,000 at your spouse's first eligibility and for any amount afterwards should waive for your spouse at first eligibility.

Child(ren) Coverage | You may elect 100% of your employee amount, up to \$10,000 for your children. One election will cover all children up to 26 years of age. Medical underwriting is not required.

You can continue your voluntary life insurance should your employment end.

- Portability will allow you to keep your term life policy for you and your dependents without providing evidence of insurability. You will be responsible for paying the premium.
- Conversion will allow you to convert your term policy to an individual life insurance policy without having to provide evidence of insurability. You will be responsible for paying the premium.

IMPORTANT NOTE ABOUT EVIDENCE OF INSURABILITY (EOI)

If you do not elect Employee or Spousal Supplemental Life Insurance when you are first eligible, any amount elected later may be subject to EOI. For new hires, EOI will be required if you elect an amount over \$100,000 for yourself or \$20,000 for your spouse. EOI is not required for child life coverage.

DISABILITY INSURANCE

SHORE UP! understands that there may be times of illness or injury that prevent you from working for a period of time. In fact, statistics show that 1 out of every 4 persons in the U.S. workforce will suffer a disabling injury before retirement. Disability insurance provides financial protection in the event that you become disabled and are unable to work.

SHORT-TERM DISABILITY (STD)

Short-term disabilities are often the most prevalent in the workplace. Disabilities can stem from minor injuries or illnesses to major instances like surgery or maternity. Once you have been disabled for 7 days due to an accident or 7 days due to an illness, your STD plan pays 60% of your weekly base salary up to a maximum of \$700 per week, for up to 12 weeks.

Eligible employees will be enrolled in STD Insurance at no cost. Coverage is offered through Mutual of Omaha.

BENEFIT	SHORT-TERM DISABILITY
Elimination Period	7 days accident / 7 days illness
Benefit Percentage	60%
Max Benefit Amount	\$700 per week
Benefit Duration	12 weeks

FREQUENTLY ASKED QUESTIONS

WHAT IS A “COPAYMENT [COPAY]”?

A Copayment is a fixed dollar amount (for example, \$15) that you must pay for certain covered benefits. Your copay is due at the time of service. If you have a plan that includes copays, your copay amounts will be stated in your Plan Agreement and your Summary of Benefits & Coverage.

WHAT IS A “DEDUCTIBLE”?

A Deductible is a fixed dollar amount that you pay for your covered benefits that have a coinsurance cost share before your health insurance begins to pay. For example, if your deductible is \$1,000, your plan won't pay anything until you've met your \$1,000 deductible for covered health care services subject to the deductible. NOTE: Not all health care costs that you pay will count towards your deductible. Your Summary of Benefits & Coverage will include these details.

WHAT IS “COINSURANCE”?

Coinsurance is your share of the costs of a covered health care service. It is calculated as a percent (for example, 20%) of the allowed amount for the service. Coinsurance only takes affect once you have met your deductible. For example, if the health insurance plan's allowed amount for an office visit is \$100 and you've met your deductible, your coinsurance payment of 20% would be \$20. Your health insurance pays the rest of the allowed amount. If you have a plan that includes coinsurance, your coinsurance amounts will be stated in your Plan Agreement and your Summary of Benefits & Coverage.

WHAT ARE “COVERED BENEFITS”?

Covered Benefits are the products and services that you are eligible to receive or obtain payment for under your health plan. Treatment for medical emergencies or accidental injuries are also included in your covered benefits.

WHAT IS AN “ALLOWABLE AMOUNT”?

An Allowable Amount is the negotiated amount paid to providers for the services covered by the medical carrier. This is the maximum amount on which payment is based for covered health care services. It is typically a discounted cost rather than the actual (billed) amount.

WHAT ARE “OUT OF POCKET COSTS”?

Out-of-pocket costs are any expenses for medical care that are not reimbursed by your insurance. These include deductibles, coinsurance, and copayments. Your premium is not considered an out-of-pocket cost.

Your out-of-pocket costs vary depending on the actual care you receive. An example of an out-of-pocket cost is what you pay when you visit a doctor or get a prescription filled. Copays, deductibles and coinsurance are all out-of-pocket costs because you pay them out of your own pocket.

Medical plans have a maximum out-of-pocket amount that limits the amount you have to pay for your covered benefits each calendar year. Once you reach the out of pocket maximum, your plan will pay for all additional non-excluded services and you will not have to pay for any services.

WHAT IS A “PREMIUM”?

A premium is the amount that you pay each month for your health insurance coverage. Your premium stays the same whether or not you see a doctor. If you are a member in an individual plan, you may pay your premium payments through the Member Portal. If you are in a group plan, your employer pays your insurance premium through a combination of employer contributions and employee deductions.
